

WHAT SHOULD BELLA DO?

Bella is a smart farm dog!
Look at each problem.
Circle the best choice. ♥

I want to make good choices!
♥

1 A duckling is stuck under the deck and can't get out!

Help the duckling get out.

OR

Run away to play with my ball.

2 The gate is left open and the goats might get out!

Go close the gate.

OR

Ignore it and keep sniffing.

3 A snake slithers near the chicken coop!

Bark loud to scare it away!

OR

Run away and hide.

4 It's nighttime and you hear tiny 'peep peep peep' under the deck!

Go check and see if someone needs help.

OR

Go back to sleep.

5 You see a little kid crying by the barn.

Go say hello and try to cheer them up.

OR

Walk away. It's none of my business.
